Subject: RE: Strategic Plan FW: latest draft
Attachments: 1-16 LND Comments StrategicPlan2015-16 .docx

Hi Fatima,

Thanks for sending the Strategic Plan out for review. LND's comments are attached. Most of our comments are fairly minor, but some projects changed a bit since we reviewed the version last fall (e.g., some MVD information).

A few things to note:

- We had one edit in the "Air" section "Fort Mojave Indian Tribe" (p.5)—otherwise, our comments start on page 15.
- Please follow up with Laura Ebbert re: population at Navajo Nation.
- Red Hill and Tribal Green Building are mentioned twice (see my comments)

Please let me know if you have any questions. I'm out of the office next week, returning February 8th.

Subject: Strategic Plan FW: latest draft

Hi Christie – Attached is the latest version. I accepted many of the changes you made. The latest edits reflect those made in response to feedback from OPA. Please take a look and make any additional changes.

Also, Alexis and Jared would like to extend the Strategic Plan to include 2017. If there are additional items that should be included, please add those.

Please send me your latest edits next week. If you need more time, let me know.

Thank you,
Fatima

Subject: latest draft

Hi Bill – I'm still at home with my sick daughter, but I wanted to send you the latest draft of the strategic plan. I'm still waiting to hear back from Michelle/Serena on the last section and Deldi on a couple of bullets in the SJV section. Note that I left the track changes on to make it easier to review.
